## MOTHER ALE

Mother Ale is a band that has a little something for everyone! With roots primarily in Classic Rock, our music catalog spans some of the greatest hits you ever sang along to in your car! With songs from over four decades and most genres, Mother Ale focuses on entertaining the masses with sing along songs that include Rock, Country, and Pop anthems.

The friendships of Mother Ale go a long way back, starting with drummer Justin Fiutem and singer/guitar player Doug Liebler. Doug and Justin met while attending college at Ohio University where they formed an all original band called Sativa. They played their version of hard rock across northeast Ohio before taking their fortunes to Florida. Doug and Jen also

met at Ohio University and Jen spent a lot of time helping the boys in Sativa with their vocal skills. It was during their time in Orlando that they formed a cover band called Grosvenor St. with future Mother Ale singer Jen Liebler. Yep, Doug and Jen are married.

Justin returned to Ohio and started playing with singer/bass player Mike Solarz in Victory Highway. They played many shows together and built that bass player/drummer groove thing. Mike is a Cleveland music scene veteran and still plays with Victory Highway. They are a great band, you should definitely check them out! Doug and Jen also returned to Ohio and started playing as an acoustic duo. This is when they reconnected with Justin and met Mike Solarz.

Mother Ale started as an acoustic duo and morphed into the rocking electric band they are today when Justin asked Mike Solarz to join the band. It was a great fit. Justin and Mike were already a super tight rhythm section from their time together in Victory Highway, and Doug and Jen's vocal harmonies really blended together from their time on stage and off. Mike's vocals brought a third voice to the act as well.

---

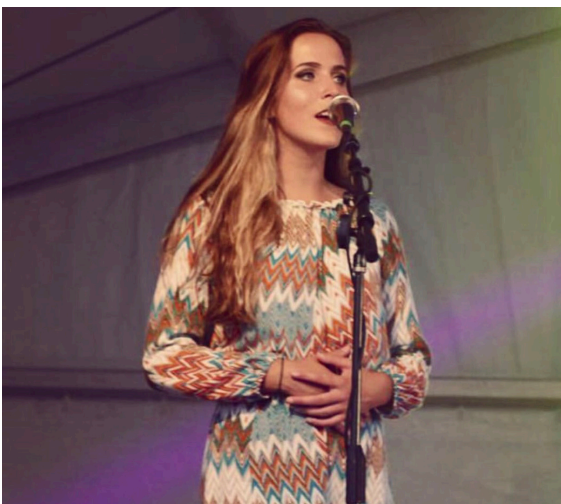

## MIDLIFE CRISIS

Midlife Crisis was formed in Streetsboro, Ohio in the summer of 2000. They played their first show within three weeks of forming. 16 years later, after many line up changes, they are still here playing classic rock and blues.

The current lineup features Tommy Harvey on bass and vocals. Tommy brings a strong funk and blues background, which meshes well with founding members Darryl Ritchey on drums, and Daryl Williams on lead guitar and vocals. The result is a very versatile, very full sounding power trio.

---

## KATIE CURRAN

She's a young old soul performing a mix of country, alternative and pop vibes. Katie Curran, age 20, has performed from her small town in Ohio to the Big Apple in New York City, sharing her love for her original pieces and songs of then and now.

Katie has a country album out that was recently released July of 2018 with the help of the infamous Jim and Brett Boardwine featuring eight original songs written amongst the three of them. Katie is also working on new originals that will debut in 2020.

## E5C4P3 – THE JOURNEY TRIBUTE

E5C4P3 was formed in June of 1993. From that year through 1999, E5C4P3 traveled nationwide and paid tribute to one of rock history's most beloved bands performing for tens of thousands of fans. E5C4P3 is still known today as the original and best Journey tribute band to ever exist. In 1999, E5C4P3 went on hiatus and the world was suddenly filled with multiple Journey tributes trying to fill the void that E5C4P3 left behind. In 2008, E5C4P3 was reformed to recreate the magic of a Journey concert like no one else can. The band covers the music with a note-for-note accuracy that is second to none and performs each show with the high-energy excitement of a real Journey concert as well as visually recreating the essence of early 80's Journey! Focusing on the 'Steve Perry era', E5C4P3 covers all the hits from 'Lights' and 'Wheel In The Sky' to 'Separate Ways' and 'Be Good To Yourself' including occasional surprises for all the die-hard Journey fans.

## SAVANNAH & THE GRAVEL PIT

Savannah & The Gravel Pit is Savannah Fitzgerald (Lead Vocals), Brian Poston (Lead Guitar), Joey Divis (Bass), and Bill Poston (Drums/Vocals). We are based out of Streetsboro, Ohio and formed in 2017. Our set mostly includes all the great Motown-inspired sounds plus a lot more. We have an eclectic mix of songs on the list, so there is something for everyone to enjoy.

# 2019 ENTERTAINMENT

## DISCO INFERNO

In a world where imitation is the most sincere form of flattery, few DISCO INFERNO is Sonny D. Lite, Joey “Hollywood” D. Lite, Bjorn Z. Free, and Rocky Bucacci. They are all a cast of professional entertainers from Perfect World Entertainment.

DISCO INFERNO was formed in 1995 after Sonny relocated from Southern California to the Cleveland, Ohio area. Sonny was an original member of the Boogie Knights, the band that started the disco band craze in 1992.

Perfect World Entertainment was formed to manage the Boogie Knights and now has several disco bands worldwide under its management.

Disco Inferno performs over 120 shows a year regionally and across the nation.

## POST ROAD

Post Road released their first collection of self-penned songs ‘That’s My Road’ in 2016 and followed up with originals ‘Drinking For Two’ and ‘Living In The Fast Lane’ in the months that followed. The first EP earned the band some prestigious awards in the Northeast, Ohio music community. The video of ‘Drinking For Two’ has pegged nearly 300,000 Facebook and YouTube views since being released in late 2017. Post Road has also shared the stage opening for numerous National Touring Acts such as Rodney Atkins, Aaron Lewis, and Smashmouth to name a few.
